
	FP365- EN	UPDATE: 05/08/19	REF. : 910-911- 912	URBAN GYMNASTICS	MARKETING DEPARTMENT D.FRIGARD
--	--------------	------------------	------------------------	---------------------	--------------------------------------

WEDGES

- ❑ They are ideal for teaching both downward and upward movements such as jumping from height and certain acrobatic movements.
- ❑ They can be used flat on the ground or vertically to simulate crossing over a wall.
- ❑ They have been created to simulate slopes generally encountered in the urban environment with different inclines.
- ❑ Colour available: ● Two-tone dark Blue and Black
